Talking about the end of life can be difficult, but it doesn't have to be! Join us, together with two professionals, as we dive into the ins and outs of Wills, Powers of Attorney, and other legal issues, as well as how to create a more peaceful and meaningful end of life experience.

Rebecca Hobbs has been a Certified Elder Law Attorney since 2015. Rebecca will present the legal aspects of estate planning from Wills to Powers of Attorney and more.

Rev. Jo Ellen Mauger is a retired pastor who focused on bereavement care while working for hospice and also served as a nursing home chaplain during her many years of pastoring. She has helped grieving families and individuals find meaning in their end of life journeys and will share her insights about this phase of life.
